## IN THE CLAIMS:

Please cancel claims 8 and 9 without prejudice or disclaimer of the subject matter contained therein.

The claims have been amended to read as follows:

SUBE (1. (Amended) method of conferring resistance protoporphyrinogen oxidase-inhibiting herbicides upon plants or plant cells, comprising introducing a DNA fragment or a plasmid containing the DNA fragment into plants or plant cells or algal cells, wherein said DNA folimitsagment is expressed and has the following characteristics:
